

SOLIDARITY
HALIFAX

WE
believe
another world
is possible.

We are organizing in the **Halifax Regional Municipality** and across Nova Scotia to create space for respectful **dialogue, debate, activism and education** on alternatives to capitalism. Capitalism is an oppressive economic system that puts **profits ahead of the needs of people** and the planet. It is a system in which great wealth and power are concentrated in the hands of a few. To oppose capitalism is to **demand something better** for ourselves, our families, and our communities.
